

PSYCHOLOGY

The new Psychology list in *Oxford Scholarship Online* reflects the strengths of Oxford's publishing in cognitive psychology, cognitive neuroscience, and cognitive development. OSO will feature all titles from our renowned and best selling *Oxford Psychology Series*, and will also include other outstanding titles in the core areas of cognitive research, such as cognitive development, developmental neuroscience, affect and emotion, perception, memory, attention, social cognition / social neuroscience, behavioral neuroendocrinology, cognitive models and architectures, ethology and comparative cognition, behavioral genetics, and cognitive engineering / human-technology interaction. The OSO list will also include key titles from the core areas of social psychology, such as political, personality, cultural, positive, evolutionary, health, and narrative psychology. The list will feature this year's winner of the William James Book Award, Dan McAdams' *The Redemptive Self*.

September 2007
